

Correction No. 1 made to the List of Medications in effect on 26 May 2022

An Act respecting prescription drug insurance
(chapter A-29.01, s. 60, 7th para. and s. 60.2)

In accordance with section 60.2 of the Act respecting prescription drug insurance, the Régie de l'assurance maladie du Québec (the Régie) has made the required corrections to the List of Medications, attached to the Regulation respecting the List of medications covered by the basic prescription drug insurance plan (CQLR, chapter A-29.01, r. 3), which came into force on 26 May 2022. Under this section, these corrections may come into effect on the effective date of the coming into force of the provision for which the correction was requested.

In this regard, the Régie corrected an obvious clerical error which occurred when changing the cost of the product of Aectura^{MC} Breezhaler^{MC} Inh. Pd (App.) for strengths 150 mcg – 160 mcg and 150 mcg – 320 mcg for which a correction to the cost is required:

Code	Brand name	Manufacturer	Package size	Dosage form	Strength	Cost of strength indicated	Corrected cost of strength
02498707	Aectura Breezhaler	Valeo	30	Inh. Pd (App.)	150 mcg – 160 mcg	\$35.53	\$40.26
02498693	Aectura Breezhaler	Valeo	30	Inh. Pd (App.)	150 mcg – 320 mcg	\$35.53	\$55.42

These corrections take effect from 26 May 2022.

Publication of these corrections on the website of the Régie imparts authentic value to them, in accordance with the last paragraph of section 60 of the Act respecting prescription drug insurance.

Québec, 31 May 2022
